

Outstanding Educators

The **Outstanding Educator Award** is distinct from the others and is distinct to our chapter. It celebrates the achievements and accomplishments of an individual (or project) who has had a profound, positive impact on public education002E

In 1983 John Carrick, Bob Cook, John Carrick, Henry Jackman and Merle Wahlstrom struck a committee to honour noteworthy contributions to education in Ontario.

John Carrick, generously provided the initial funding of the \$500.00 that accompanies the award. This money is donated to a charitable cause of the recipient's choice. These outstanding educator recipients are found among the best and most accomplished intellectually creative thinkers in Ontario. Their keynote addresses have been inspirational and challenge us to improve the quality of education for all students.

The awards are presented at our Annual General Meeting held at the beautifully appointed University of Toronto, Faculty Club.
