The Middle Makes A Difference !

its promise to improve learning, although it can do a fine job of auditing what has happened. What can teachers do between tests to improve learning, even in the form of higher test scores?

“What Really Happens Between the Tests?”

This session looks at the role of formative assessment and quality feedback - the breakfast of champions!
Participants will examine the learning implications of real life stories of quality feedback in a variety of contexts.

Presenter: John Myers, OISE/UT

DATE: Wednesday, March 22, 2006
TIME: 7:30 - 9:00 pm
LOCATION: Henry Kelsey Middle School
1200 Huntingwood Drive
Scarborough

This is the last in this year's **PDK Research Series**. Please visit our website in the fall to see what will be offered next year.
