

The Treasure That is Public Education

A FOUR PART SERIES ON ADVOCACY FOR PUBLIC EDUCATION

Session #3

Can "Leadership" solve all school problems?

Vicky Branco, Principal, and Harpreet Ghurman, Model School Lead teacher,
welcome you to Firgrove P.S, a Model School Project School

Professor Joseph Flessa will examine the school improvement expectations placed on school leaders, and will raise questions about the other factors known to shape school success that are often removed from consideration by a narrow focus on "leadership."
